# Wanda Darnell Lynch

FEB 11, 1956 - AUG 21, 2023

**W**anda D. Lynch was born on February 11, 1956 and called home on August 21, 2023 to be with the Lord and family who had passed before her. She leaves behind her loving husband of 52 years, Gordon Lynch; her three daughters, Jennifer Harper (Bryan), Lisa Lynch (Nathan), and Lori Stowe (Chris); her grandchildren Brittany Harper, Kaleb Stowe (Kayla), Colby Plummer, Haley Stowe, Claire Plummer, and the two most recent lights of her life, twin great-grandsons Jameson and Deacon Stowe; her two brothers Roy Haynes Sr. and Joseph Haynes (Gail), and numerous nieces and nephews.

Wanda lived in Fredericksburg her entire life; however, her favorite place to spend time was at the beach. No matter where she was, Wanda never met a stranger. Anyone that knew her was sure to know how much she loved her family and how much she loved to brag on her grandchildren and great-grandsons. As a lover of animals, she enjoyed caring for all the pets within her family and wildlife in her backyard. She poured her heart into cooking big meals for her family, especially during the holidays. And she especially enjoyed spoiling her family through shopping as an outlet of her love.

She was preceded in death by her father and mother, Earl and Margaret Haynes; father and mother in-law, Delbert and Logean Lynch; her brother Earl Haynes Jr.; and her cousin Gail Arrington.

A funeral service will be held at 12:30 p.m. Monday, August 28, 2023 at Found and Sons Funeral Chapel, 10719 Courthouse Road, Fredericksburg. Her family will receive friends one hour prior at the funeral home. Burial will follow in Sunset Memorial Gardens.

Jennifer,I remember meeting your beautiful mother several times years ago when our girls were little. My very first impression of her was her tenacious love for family and friends. I know how close you were and still are. I will be praying for peace and comfort for you and your family. God gives us signs, especially in nature, when we have overwhelming losses, that your mom and all those she loved will be together again. May He wrap you and your families in His Arms

My thoughts and prayers are with each of you. Wanda was beautiful inside and out. Wanda and Gordon took my family in when we needed a place to stay and took us under their wing as part of their young family at the time. No questions just love. A time I have never forgotten.May each of you find comfort with all your memories together.Love and prayers to each of you 🙏♥

Wanda was a defender. I met her because we watched reality shows and she defended me and my opinion. We stayed in contact and she called me "Vivi" Only people I am close to call me that. I loved her and the way she loved her family.was extraordinary. A wonderful soul I will miss her dearly.

I am forever thankful that I had you as my mother. You had the biggest heart and not one person in your life ever had to doubt or wonder if you cared for them because you always said what you thought and meant what you said. You would always tell us all "I love you more". The love you and Dad shared should be what we all strive for in our lives. I will miss so many things about you. You were the absolute best cook, an awesome Grandmother and my reality tv buddy. Christmas is forever changed. You were the best daughter and I take comfort that you are together again. I promise to make sure the twins will always know how much you loved them and tell them and any other of your future grand babies all about you. All the stories just as you would want me to. I am so sad you were sick these last few months but will forever cherish the time I got to spend with you because of it. I am in shock you are no longer with us and would give anything for more time with you; but I am glad you are free of all your pain and I know that I will see you again. You are by far the toughest woman I have ever saw. My Hero. My Friend. My Mom. My heart is shattered in a million pieces and it will never be the same. I love you forever and will forever miss you.

I will never be able to find all the right words to describe this loss. You were loved my many throughout your life and I will continue to treasure every story and memory shared over the coming days. It is obvious you were so many things to do many people and I am one the most fortunate because God choose you to be my Mother. I know that your everlasting love and memories will eventually begin to heal my broken heart, but it will forever be changed. I know that you knew how much I love you and I will never forget that you loved me more. Proverbs 31:28-29: "Her children rise up and call her blessed; her husband also, and he praises her: 'Many women have done excellently, but you surpass them all. '"
