Harry William Leverone, Jr.

DEC 16, 1924 - SEP 3, 2023

Harry William Leverone, Jr. of Watkinsville, Georgia, formerly of Alexandria, Virginia died September 3, 2023 at the age of 98. He was the son of the late Harry William and Gertrude (Ford) Leverone. Harry was born at Sibley Hospital in Washington, D.C. where he graduated from Anacostia High School. He studied electrical engineering at Catholic University and George Washington University after rising to the rank of Staff Sergeant while serving in the Army Air Corps during WWII. After basic training, Harry was trained to install and repair the “Top Secret” radar devices in B-29 bombers on the island of Guam. This expertise later translated to a career at NASA’s Goddard Space Flight Center working on the first unmanned satellites launched into orbit by the United States.

Harry enjoyed woodworking, tinkering with machines, traveling and good food. He loved his family more than anything, and made many sacrifices along with his wife, Joan, of nearly 65 years, to raise five wonderful children who became his pride and joy. Eight grandchildren and nine great-grandchildren have all been encouraged by his loving hands.

Endearing himself to others with his quick wit and silly pranks; Harry made fast friends with just about everyone he met. His kind nature and encouraging words served as an inspiration to those who knew him. He was a quintessential member of the greatest generation.

Harry is survived by four children: Thomas William and wife, Tammy of Richmond, KY; Kathleen Ann and husband, Thomas Schmaltz of Watkinsville, GA; Robert James and wife, Barbara of Charlotte, NC; and Paul Neal and wife, Beth of Nellysford, VA; eight grandchildren, Jason, Gretchen, and Benjamin Schmaltz; Nicholas, Alex, Olivia, Abby, and Harry Leverone; and nine great-grandchildren. He was preceded in death by his wife Eva Joan and daughter Mary Elizabeth.

Services will be private.
