Randy!!! I will always cherish memories of our shifts together. You were one I could rely on to answer my United questions. I will always appreciate you looking out for me and sharing food when I would forget to pack mine. Always kind, always caring, always you. Thanks Randy, I'll never forget you ❤️

Oh Randy! You are sorely missed here at CHO airport! No one shares food like you did!! I keep expecting to hear "Food's here!" I have to stop myself from calling out from my office for your input on a baggage claim or if you know next month's flight schedule. There are daily moments where you cross my mind... and I smile at the memories!! keep expecting to see a comment from you on one of my posts or pictures. You always had kind words to say. I hope you are surrounded by love and rainbows! Say "hi" to Caroline and Jeff!
