A kind and loving friend who will be deeply missed. She was there for me all my life, and I will never forget her. She always made me feel welcome in her home, and I enjoyed visiting her and talking with her over the years. Lillie is now at peace with the Lord. Praying for the family at this time, especially Wayne who was such a loving and devoted son. Love, Ann and Duane Pullen

Lillie was such a dear and devoted family friend. She was the best neighbor my grandparents could have asked for during their time on Water Street, and she, they, and our extended family became the best of friends. She had a heart of gold and always wanted to make sure her loved ones were safe and well cared for. I know that even before I was born she wanted to make sure I was safe, because she came to check on my mom when my mom was expecting me every day during the time my mom was on bed rest. Because of this, and always seeing/talking to her over the years when I visited my grandparents, I've always felt as if I've had such a deep connection to her. Her love for her family and friends is unmatched. Lillie will be so missed but never forgotten. I know she is now at peace with the Lord. And I'd like to think that my grandparents and her are neighbors yet again in their heavenly home. Sending prayers of healing and peace to Wayne, Justin, Jacob, and the rest of her family at this time.
