Brad, you will be missed deeply by the CF community. I always enjoyed our talks of classic rock bands, classic cars, and the old days. I'm saddened to just now hear of your passing 7 months later. You were a very good and dear friend to us on Facebook. To the family, I'm extremely sorry for your loss. Sincerely, Jesse Richardson

Lori - We are so very sorry for your loss. We will keep you in our thoughts and prayers. Please take comfort in the fact that though he may have been taken from this world, he is still your big brother and along with the rest of the family will be reunited with you in what will seem like a blink of the eye from their eternal perspective but will hopefully be many, many long years from now. I didn't know Brad well in his adult years but I know that all the boys as children were special and so loved by Aunt Betty and Uncle Frank. They all have been taken way too early and Lori is left to mourn them. May the comfort of her family, her husband and beautiful daughter surround her and give her peace. They are all celebrating in heaven, breathing more easily and watching over their sister. Carol (Howard) Moser

You will be missed Brad. We have know each other our entire lives and were only months apart in age. I hope you are in heaven hugging your mom, dad and siblings. You had a passion for this terrible cystic fibrosis, I know all those who have it are thankful for the awareness you shared. Love and will miss you. Rest in peace.

Hey old man :o) Still thinking about you... you are greatly missed by everyone. Even my friends whom you've never met or talked too, commented about what a great guy you were through your comments to me "HYDRATE" Your father was in your ear telling you to fight like hell, and I believe you are now in my ear saying the same thing. God broke one of his molds on you my friend.....I love you and Miss you! Come down and say hi once in a while ;o)
