Beverley Lynn Boutchyard

JUN 20, 1952 - DEC 11, 2023

Beverley “Bunny” Boutchyard, 71, of Fredericksburg, passed away peacefully while sleeping on Monday, December 11, 2023.

Bunny was born in West Virginia to James and Vivian McNeil. The family relocated to Fredericksburg, Virginia, where she grew up and graduated from James Monroe High School in 1971. After graduating, she enlisted in the United States Army. She was proud of her service to her country. Bunny served four years in the Army stationed at Ft. Bragg. After her honorable discharge, she remained at Ft. Bragg for an additional ten years as an administrative assistant. The latter part of her federal career, she worked for the Department of the Navy at the Pentagon. Bunny was a survivor of the attack on the Pentagon on September 11, 2001.

After retiring from the federal government, Bunny decided to start a second career with Northern Virginia Community College. She worked an additional five years at NVCC as a business consultant. In all aspects of her life, Bunny was a caregiver. Twice, she nursed her husband back to health and she was the primary caregiver for her sister while she struggled with health issues. Bunny was an angel on Earth to all who were blessed enough to know her and love her.

She is survived by her beloved dogs, Chica, Milo, and Otis; as well as, her beloved husband of almost 30 years, David “Jerry” Boutchyard; her siblings, Carol Dean Fines, Janice Brady, and James McNeil; her step-children, Mark Boutchyard (Carla) and Melinda Hendrix (Victor); her grandchildren, Eddie, Jarod, Ella and Kolby; and a very special niece, Melissa Williams, who was like a daughter to Bunny; as well as numerous nieces and nephews, other loving extended family, and her cat, Nakita.

In addition to her parents, Bunny was preceded in death by a sister, Elizabeth Sullivan.

I will miss Beverly, I think it was this time last year that her and I went Christmas shopping at Basspro shop for David and Jerry. She loved coming over and swimming in our pool and having crabs. I will miss her jokes about red neck valley. She loved her animals, I always said anyone that's kind to animals is a good person in my book. I remember the day I took her to Potomac Mall, so she could shop for something to wear at her nieces wedding. I also remember her and jerry being at the house too help getting David up the steps when he came home from the hospital, after his knee replacement. We in turned picked her up from the hospital when she had her first knee replacement. But I will miss her smile and her personality. Jerry I know you will miss Beverly, but just know she is resting and watching out for all of us. It's her time to rest. Judy Eye

Beverley was one of the kindest people I've ever met. Funny, too. When I was sick, she always reached out to me to see if I needed anything. I really appreciated her concern and knew it was genuine. Her passing is quite a shock. If anyone could live forever, it would be Beverley. I am just so sad. My heartfelt sympathy goes out to Jerry and family, including the fur babies. Please reach out if you need anything during this very difficult time. Peace.

Dear Jerry, Mark and family -- Beverly was a joy to work with at the Manassas Campus. You could drop by the Business Office window on any given day and when you walked away, you always had a smile on your face. She was a wonderful storyteller, and an encourager - AND - when the garden was in, she always made me one of her wonderful squash casseroles. Hold onto to each other and your precious memories of this wonderful woman. My prayers are with all of you.
