Retired and was looking up old friends. Hoped to connect with Tom. So sorry since life really is short. As teenager worked for Tom at bull run. We did some hunting for quail and rabbit. Also, he took me scuba diving at quarry (think Haymarket? But long time ago. I met up afterwards when I was stationed at Langley AFB. When he and Allen had completed Colorado gunsmith course. Anyways, he always lived life to the fullest when I was with him or talked to him. Regards, Jim Throop

A Shipmate is on "Final Patrol" watching over us from high above! Your infectious laughter and Cheshire Cat smile will be sorely missed, but forever remembered. My day will come when I'll once again hear your voice, "flight, radar". Rest in peace Shipmate, we have the watch!
