My deepest sympathies on the death of your son, Peter. My baby boy Kevin, at 3 1/2 years old died in 1998. My heart breaks for you and I know the ups and downs you are feeling and will be feeling. There are no words to comfort us in the loss of a child. I am also The Compassionate Friends Fredericksburg Chapter Leader which is a self-help support group for all bereaved parents, siblings and grandparents who have lost a child. When you are ready, please email me and I will get you some resources. I am here for you if you need me. Praying for you all.

Lisa I am so very sorry to hear of this tragic news. I remember being at your house and Justin and Timmy riding go carts outside and also going fishing with Sue. Loved those times. You and your family will definitely be in my thoughts and prayers.

I remember Timmy and Shayne when they were about 2 or 3 in my kitchen playing on the floor while Michael and Paul were watching football near by. You and I were also nearby. The boys got into my utensils drawer and needless to say they got our attention. What a sweet boy he was. Paul and I pray for you and your family. I know that his boys will help you and their Mom through this terrible time just as you will help them. ❤️🙏

I knew Tim through his wife Maggie and mother-in-law Geneen as we all volunteered to help run the annual PSI charity golf tournament. From the moment I met Tim he was always friendly, gracious, selfless and funny and most of all clearly dedicated to his wife and family. His commitment to our charitable causes and the people of PSI whom he barely knew exemplifies what kind of giving person Tim was. He will be sorely missed and I cannot adequately express how sorry I am for your loss.
