I knew Danny through Boy Scouts for which he was committed to for over 75 years. He made it possible for Josh & Marcus to do Cub Scouts, Webeloes & finally Boy Scouts following both of them on the path to earn the rank of Eagle Scout. Danny didn't always feel like camping, making road trips for scout however he did it for his grandsons and hundreds of other Scouts alike. Personally I enjoyed our time together where he would go of on one of his stories and take me around the globe through his work, family and scouting life which I always found fascinating. The world is a better place because of Danny. My thought go out to his family. Steve Cone
