I am so sorry to not being able to attend the service due to the distance and my age. We had so many talks via telephone and I will miss them. I rejoice with Kenny that he is no longer in any pain. I wonder if there are motercyles in Heaven that he can ride without pain. I hope so!☐

I'm devastated to hear of Kenny's passing. He was my best friend for over 40 years. I had spoken to him about a month ago and he was bragging on his grandchildren. I had tried calling again but didn't get an answer. I'm going to truly miss him. My thoughts and prayers go out to Kerry, Nick, Angie, Joey and all the family. Rest in peace my friend,.
