David Henry Lowe

NOV 11, 1956 - APR 16, 2024

David Henry Lowe was born November 11, 1956, to the late Paul Davenport Lowe and Carolyn Ethel Wells Lowe. He was the oldest of three.

David grew up in Tysons Corner and graduated from Langley High School. He spent the majority of his career working in construction, and did a short stint servicing/selling fire extinguishers after the Earman Construction company went out of business –he went to work for SW Rodgers for many years, VCC then to TDC where he worked for many years also. TDS was his last job before he retired. He made many friends working in construction including training young laborers he was hard on them and some thought he was a SOB but in the end, the ones that made it went on to run their own crews. The ones that didn't go to work elsewhere or at least not on his crew anymore. He was never politically correct he got in trouble more than once with the Safety guys or HR. The trouble with HR was usually because he told someone to stop being stupid they told him he wasn't allowed to tell folks they were stupid anymore but the one guy learned his lesson when he didn't listen and smashed his hand while hooking up an air compressor and had to be taken to the ER to have his hand put back together. David had told him never to put your hands between the truck hitch and whatever you are hooking up to.

He loved fishing—pond fishing, river fishing, bay fishing but his favorite was ocean fishing. He was a good-hearted person. Many folks didn't see that until they were around long enough to get past the gruff grumpy man and see the diamond that was hidden. Those that were around that long became lifelong friends and family.

He is survived by his ex-wife, Ellen Ptaszynski; his children, Christopher Lowe and Michael Lipps; three granddaughters, Allison Lipps, Alyssa Lipps, and Arya Lipps; one sister, Dotty Hill (Andy); his beloved dog, King; nephews, Michael, Steven, and Joey; and numerous friends. In addition to his parents, David is preceded in death by one sister, Sharon Lowe Childs.

The adventure in this life with you in it is over but will never be forgotten. We meet in our 20's young not afraid and tackled this life learning as we went along. God knows we made lots of mistakes and learned from them. You were 10 yrs older almost but saw something in the young single mother you meet pitching quarter with the guys after work---and that's where the journey began. You showed me that there was life beyond Rt 621 in Loudoun County. You took to Christopher at 6 months as your own- we made that official in 1990 when you adopted him --AS years went by it proved no DNA has to be shared for you to be Father and Son--you look alike -- and God only knows act alike at times. We were family --- you were always there for me no matter what and I for you. I knew if I fell you would be there to pick me up and God help anybody that would be nasty to me if you were around. You were apart of many lives - having a hand in raising a few along the way. Mike Lipps, Chrissy Lipps, etc. YOU are proof that " Family isn't always blood. It's the people in your life who want you in theirs; the ones who accept you for who you are. The ones who would do anything to see you smile and who love you no matter what." We had good times, bad times , fun times, sad times, and happy times. David Lowe I am who I am today because you believed in my 40 years ago -- RIP --Love you, Ellen
