# Kathryn Elizabeth Ketterer

APR 28, 1973 - APR 16, 2024

**K**athryn Elizabeth “Katy” Ketterer, 50, passed away Tuesday, April 16, 2024, in Troy, PA. She was born April 28, 1973, in Tiffin, OH to Barry and Patricia Ketterer.

Despite the limitations imposed on her at birth, Katy lived her life with zest and a positive attitude. She was rarely “down”. She went everywhere with her family, and lived in many places in the United States including Hawaii. She traveled internationally with her mom and dad, making friends wherever she went. Katy was the ultimate goodwill Ambassador extending her hand to everyone she met and pulling them in for a “Katy hug”. She could see people for who they were not what they were and love them regardless of any other consideration. She could warm any heart with her bright smile. Katy absolutely adored her two brothers and their families. She was a most cherished blessing to all who knew her.

Katy is survived by her parents, Barry and Patricia Ketterer; brothers, Robert Ketterer and wife, Irene, and Jason Ketterer and wife, Raygan; two nieces and two nephews.

A funeral service will be held on Wednesday, April 24, 2024, at 3:30 p.m. at Found and Sons Funeral Chapel, 850 Sperryville Pike, Culpeper, VA 22701.

The interment will be private.

In lieu of flowers please consider a contribution to Martha Lloyd Community Services, 66 Lloyd Land, Troy, PA 16947 in Katy’s name.

An online guestbook and tribute wall are available at [www.foundandsons.com](http://www.foundandsons.com)

Katy was a ray of sunshine. We have great memories of Katy at the beach on July 4th, filled with joy as we all watched the Independence Day fireworks. Her happiness radiated to others and lifted everyone up. Well Done Katy.

Katy had the biggest heart. She loved everyone and loved being with people. Life of the party (and there were many), she laughed at everyone's jokes. Endless energy and enthusiasm for life, and joy at being surrounded by family and friends, and people she had just met. Thank you, Pat, Barry, Jason and Robbie for sharing her with us.

Dear Pat and Barry, Thank you so much for sharing our "Katy Girl" with us for the last 10 + years. She has truly been a blessing. Her contagious smile and best hugs will always be remembered. I've never met anyone filled with as much happiness as Katy carried with her, despite her health condition. I cherished each visit we had when you brought her " home" to Williamsport. She made our Holidays extra special. To Katy, fly high our happy girl, with no more pain or restrictions. Enjoy your milk and cookies, cheezies, and as many peanut butter cups as you want (without having to share with Dad )

♥ Continue to smile down on us as our Angel in Heaven. You will always be remembered and loved. You have all become Family to us. We will hold you in our prayers. 🙏 We love you. Our Deepest Sympathies, Matt & Amy Masorti

Many years ago when my nieces were quite young we went to Virginia to visit Mary Frances Wadsworth. One day she took us to her friends' house, the Ketterers. We had such a fun time swimming with Katy in their pool and lunch on the patio. My nieces still remember that fun day with Katy. Our condolences to the family.

Katy was my dear sweet friend and I feel fortunate to have had lovely memories of our times together. I looked forward to our aerobics classes at the Y pool and how Katy never tired of diving under the water and bouncing up with that incredible smile. Sometimes she would frighten me and stay under a bit too long. She thought it was funny! I enjoyed our visit to Corolla when we listened to Elvis gospel music in the van during the entire trip there and back. Our luncheons and visits when Katy came home were always fun and I will miss them. Katy has and will always hold a special place in my heart. Pat and Barry you have been a beacon of love for Katy and we know your hearts are broken. With deepest condolences to you and your family. Susan and Stephen Blair

Katy was a shining light in this world. We have been fortunate to be her parents next door neighbors and that is how we meant Katy 10 years ago..Her first reaction to us was to bless us with her special Katy Hug and we were lucky enough to receive many more over the years that followed.In April of 2015 we had a joint Easter Egg hunt and all 21 of our family members meant and received hugs from Katy ☺️ One of my favorite memories was seeing Katy and Pat on their backyard swing with Katy resting her head on her mom's shoulder, it always brought me peace to witness it.The world will be a little less bright without Katy but all the beautiful memories will live on.With the utmost sympathyCindy and Terry Miller
