Dear Barbara and Katie, I am so sorry to hear of Megan's passing. I remember Megan, and Katie, from when I was the secretary at Grafton Village. She was such a sweet, endearing child and innocently mischievous. I have such fond memories of her. Know that I am thinking of you and praying that time will ease your pain. Jennifer Gallahan

I am so very sorry to hear of Megan's passing. She was a very sweet young lady. Megan was good friends with my daughter Katie and she would come and visit frequently when her and Katie were younger. Megan was always very friendly and respectful when at my home. I am a HUGE Pittsburgh Steeler fan and Megan was as well and she would always talk about the "Steelers" when she would come over to visit. I hope that she is at peace and I know that she will be dearly missed by all who knew her. Megan was a beautiful young lady who touched many lives and I am very sorry to learn of her passing. Rest in peace and may God bless you Megan.
