We live thousands of miles away from each other, but yet we were the closest in age being cousins and when we talked or we got together at family gatherings, it was like time had not passed. Our relationship was always witty always had a joke always made each other laugh and smile, very supportive of each other. Truly gonna miss you Cuz breaks my heart to hear your gone. You're now with your parents and mine- until we meet again, wrap your heavenly loving wings around and watch over your family who love and miss you dearly. My condolences to Kelly Austin and Cheyenne. Ant
