My memories of Randolph is. I use to go home with him after church on Sundays. He went to my days church. After we ate supper with the family. We went outside and played. We chased a skunk in a Colbert and put our heads in there and got sprayed. His mom put us in a tube outside with tomato juice. At church we would sneak out and get chick a pens and bring them back in church and cracked them and ate them. Randolph was a good guy. You are with your Mom Dad Your brother Jerry and sister Shirley. You will be missed. Love to his wife and family. 💙💛
