My heart hurts for Marsha's Children and Family. I know how difficult this is. I had just learned of this Friday afternoon when leaving Culpeper Rehab where my 97 year old Mom (Frances Gentry Davis) had just passed about 3 hours before. Marsha had been a friend for so very long. My Mom lived on Broad Street for a long time, too. Marsha was one of my bowling buddies. We had such good times together laughing & bowling trips out of town with her and Sammy were some of the best times! She was always smiling. A beautiful, kind Lady and will be missed by many. Our memories are the best help in getting us through. God Bless you All.
