With every visit to the family home in Culpeper, Betty always had a warm smile and a kind word. Always asked about my family, offering her well-wishes. Such a kind soul who will be sorely missed. Betty was a friend to all.

I sure will miss talking to with you. Although I have lots and lots of memories. One of the many memories I recall most everyday. Is when you lived in Lawson. Shelby and I would come to visit with you. I would catch you mowing the grass and doing all kinds of things in the yard. Little did you know, you inspired me on my good days and my bad you just keep going. Love and will miss you

Mom was a caring and loving soul. She considered everyone a friend. She was a regular contributor to St. Judes and loved flowering bushes and trees. Should you so choose, in lieu of flowers please feel free to honor her in one of these fashions.

Ms Betty was a very special and caring person. She could easily strike up a conversation and say whatever was on her mind. I always enjoyed running into her around town and she always put a smile on my face. Of all the special gifts in life, Ms Betty was among the greatest, and she is dearly missed. I wish the family comfort and peace to face the days ahead, and many loving memories to hold in your hearts.
