Becky was a feisty, tough and sarcastic woman. You didn't always know how to take her but if she was laughing and making sarcastic comments, she liked you 😊 Most of my memories of her are from when I was a child. We would hang out for a few when dropping my sister off to spend the weekend with her and Michael. There was one time, she was babysitting me, my brother and Staci while my mom ran out for a few. My mom came back to find my brothers face covered in make up. Becky had convinced him to let us girls do his make up, she may have helped out a little...I can't remember lol I always enjoyed her. Although I hadn't talked to her in years, I can say Becky was a very nice and caring person deep down. She loved her kids and adored her grandkids. We spoke over FB messenger a few times a few years back.... She was a very proud grandmother. I am very sad to hear she has left this earth but I am happy to have the memories I do. ♥

Becky was Becky, smart, sassy and always told you like it was. She always tried to see the good in people and she was always trying to help people even when she was struggling herself. I'm sorry to hear that you left us but you will never be forgotten. Fly high my friend until we meet again.
