## I Carry Your Heart With Me

I carry your heart with me (I carry it in my heart) I am never without it (anywhere I go you go, my dear and whatever is done only me is your doing, my darling) I fear no fake (for you are my fate, my sweet) I want no world (for beautiful you are my world, my love) and its you are whatever a moon has always meant and whatever a sun will always sing is you (here is the deepest secret nobody knows (here is the root of the root and the bud of the bud) and the sky of the sky of a tree called life, which grows higher that the soul can hope or mind can hide) and this is the wonder that's keeping the stars apart. I carry your heart (I carry it in my heart).

Just heard about Ken's passing. It had been a while since we had caught up, but Ken was one of those unique individuals that you never forget. Ken was one of the nicest, most cordial individuals that I've ever met, but he was also one of the most tough-minded, disciplined and driven leaders I've met. I'm not sure if I ever heard him raise his voice the entire time we worked together. I had the privilege of being Ken's boss for a few years and I knew I was only renting him. It was great to see him move up and flourish as a Cintas leader. The world just lost one of it's best humans on earth. I will cherish the time I worked with him and the lessons that he taught me. My sincere sympathies and prayers to Michelle and the entire Greenfield family. Rick Sorrells

I am free Don't grieve for me, for now I'm free, I'm following paths God made for me I took his hand I heard him call Then turned, and bid farewell to all I could not stay another day To laugh, to love, to sing, to play Tasks left undone must stay that way I found my peace... at close of play And if my parting left a void Then fill it with remembered joy A friendship shared, a laugh, a kiss Ah yes, these things I too will miss. Be not burdened... deep with sorrow I wish you sunshine of tomorrow My life's been full I've savoured much Good friends, good times A loved one's touch Perhaps my time seemed all too brief Don't lengthen it now with grief Lift up your hearts and share with me, God wants me now... He set me free.

I remember the 1st day I met Ken. He told me he was from Philly. Then we realized we went to the same high school. We were connected from that moment on. I had the privilege to call him a friend, boss, and brother. I was one of the few people that heard him yell (it was at me). A big reason I was successful when I worked for him was because I didn't want to let him down. That's what made him a great person. You know he cared about you. Not just Cintas, he wanted the people around him to win. I hadn't talked to him in many years, but when I heard the news, it hit me hard. The world lost a great man. I count it as a privilege to have spent time with him. Michelle, I'm sorry for all those nights he got home late. When he was showing me how to do the Sales Rep commissions, and then we would go to Outback just to talk some more. My heart is sad, but I know I'm a better man and leader because of Ken; and for that I'm grateful. Ralph J. Myers

Kenny was my friend, brother, confidant, motivator, business partner, savior, golf partner, poker nemesis and travel buddy. We were inseparable for 15 years. There is nothing Kenny could not do or fix, which was evident in his hall of fame career. His friendships ran deep and meaningful. His leadership was always steady and helpful filled with love of people. I admire him for his love and devotion to his Family, his Community, his Friends, his Partners and of course his Eagles! Once in a lifetime someone like Ken enters our world and stays with us forever. I will never forget his infectious laugh and hilarious sense of humor. He always saw the good in everything and everyone. My deepest heart felt condolences and prayers are with Michelle, her four Sons, and the Greenfield Family.

My youngest brother and friend. We did so much together over the years and I will forever remember all the memories we shared. You were always there for me and tried beating me each year at Easter with our special memories from childhood. Nothing I can say will ever take the pain away from losing you so young. You found your soulmate early in life and raised four wonderful children. You've always been a family man and take pride in your children and wife. Your family and friends loved so much and you will always be loved. I love you 😭
