Heaven has another angel. Shirley I will miss you. Your smile , your laugh and your loving spirit. Your gift at playing the piano at church on Wednesday afternoons was always well done and appreciated. I will treasure our memories that we shared especially our Bible study with Ada Foster. My friend of 60 years. I am heartbroken with this loss. I am so thankful that Shirley and I shared a wonderful afternoon in early December going to a friend's birthday party. We had such a great time! I know that she was welcomed into heaven by our Savior. What a beautiful person she was!

Shirley was a beautiful person inside and out and was such a delightful lady to know. She was always impeccably dressed with coifed hair and always had a big beautiful smile on her face. My life has been blessed knowing Shirley and I will miss our chats and visits at church. May God comfort her family during extremely sad time.
