Robbie Reeves

OCT 12, 1991 - MAY 25, 2025

Robbie Reeves, 33, passed away peacefully after a brief battle with pancreatic cancer on May 25, 2025, at his home, surrounded by the love of his family.

Born in Honolulu, Hawaii, in 1991 while his father served in the Navy, Robbie lived a life rich in experience, joy, and adventure. The son of Bob and Stephanie Reeves, his early years were spent traveling the world, including time in Guam.

Since childhood, Robbie was happiest in nature, whether hiking wooded trails, biking, playing disc golf, fishing, or soaking in the salty breeze of his favorite place on earth — Frisco Beach. It was there, alongside his kids, wife, and dogs, that he found his truest peace and happiness. He had a wild, creative spirit. Robbie was a gifted glassblower, an avid skateboarder, and a passionate grower with a deep love for botany and greens.

To Robbie, friends were family. He never met a stranger, and those lucky enough to know him remember his boundless smile, his infectious energy, and his unwavering kindness. He was always “cheesing” — unapologetically himself to the end.

Robbie is survived by his soulmate, Ashley Reeves; his children, Khloii and Eli Reeves; his parents, Bob and Stephanie Reeves; his sister, Ashley Ruiz (Gerson); his nieces, Lydia and Evelyn, and many other loving extended family and friends.

Though his time here was far too short, Robbie lived with a fullness many never reach. His family takes deep pride in the man he became and the joy he spread in just 33 years.

He will be deeply missed and forever remembered.

The family will receive friends from 1:00 p.m. to 3:00 p.m. on Saturday, June 7, 2025, at Found and Sons Funeral Chapels, 10719 Courthouse Rd., Fredericksburg. A celebration of Robbie’s life, with an opportunity to share memories, will follow at 3:00 p.m. in the funeral home chapel.

Robbie this one hurts. We had some great times chillin at your house over the years and you and Ashley and Malia were always so welcoming and made me feel at home. This is a random memory, but I remember Marcus and I showing you Workaholics for the first time and in the intro you laughed and said "is that a bowl"? Little did we know you'd go on to become a glass blower! The world is a sadder place without you, but a better place for having had you in it. We need more people like Robbie in the world. RIP man 🙏❤️ sending all the love to you, Ashley and your whole family

We are so sorry for your loss. Our kids, Jimmy & Erin, knew Robbie. Jimmy passed away in 2022. Our daughter took some of Jimmy's ashes to Robbie, and he made us some beautiful pieces. They bring us joy and we smile everytime we look at them. What an amazing gift to help bring healing to others. We will always hold a special place in our hearts for Robbie. Sending his family and friends love, and prayers for peace through this time.
