My dear sweet Twin sister Ruby, Sometimes it's easier to just tune out everything because of all that's going on with me and Then I think of you, and how much I'm gonna miss you, I'm lost without you and my heart hurts for you and just want you to know that I wouldn't have wanted to be any where else but with you, you will always be in my thoughts, there's not a day goes by I'll be thinking of you, there are millions of yesterday's that we shared memories together and I won't forget those yesterday's, that I can promise you, Ruby I love you more than life it's self and miss you as much, This is not a good bye it's a until we meet again, Rest In Paradise Sweet Sister
