Hi dad. I miss you and mom. You two was our world now my world is empty. I know mom and Bubby was so excited to see you so give them a hug for me. I miss our phone conversations that we had every day when the phone rings of course I think it's you but sadly it's not so I will have to wait until God calls me home to talk to you in person again . So until then I send you , mom, and Bubby all my love

He always used to tease me whenever he came to Jim and Gin's. He did something one time and I said "I hope your teeth fall out". He dropped his false teeth right there. I didn't know he had false ones. He just thought that was the funniest thing. I know he will be missed. Sending prayers.
