# Virginia May Snead

JAN 26, 1959 - JUN 24, 2025

**I**t is with heavy hearts that we announce the passing of Virginia Snead, a devoted wife, loving mother, and dear friend, who left us peacefully on Tuesday, June 24, 2025, surrounded by her loving family.

Virginia brought warmth, kindness, and joy to every life she touched. Her love for the outdoors was infectious-whether she was hiking a trail, pausing to capture the perfect photograph, or simply sitting in quiet appreciation of nature's beauty, she found peace and inspiration in the natural world.

She was happiest with her family, whether sharing a home-cooked meal, exploring a new trail, or simply spending time together on quiet afternoons. Her laughter filled every room, and her strength was the foundation of her home. She nurtured her family with love, generosity, and unwavering support, always putting others before herself.

Virginia will be remembered for the love she gave so freely to those around her. She was preceded in death by her mother, Jean; and her brother, Kevin. She is survived by her devoted husband, James; her beloved children, Chuck (Sasha), Stephanie, and Brian; her grandchildren Elsa, Hunter, Jane, and Lincoln; her sister, Betty; her brothers, Thomas (Bridgett) and John; and her best friend, Cindi-all of whom will carry her memory in their hearts forever.

A celebration of her life will be held at 11:00 a.m. Tuesday, July 8, 2025 at Found and Sons Funeral Chapel, 10719 Courthouse Road, Fredericksburg, where friends and loved ones are invited to gather, share stories, and honor the extraordinary woman she was.

It's hard to put into words what Virginia meant to those of us who had the privilege to work alongside her. She brought heart, humor, and an unwavering commitment to students every single day. Her quick wit could lighten even the most stressful moments, and her laughter—genuine and contagious—reminded us not to take ourselves too seriously. Virginia was the kind of teammate you could count on. She never hesitated to pitch in, support others, or step up when something needed to be done. Her dedication, kindness, and joyful spirit made the workplace a better place, and working with her was not just easier but truly enjoyable. She will be deeply missed. My heart is with her family during this time. May they find comfort in knowing how many lives Virginia touched, and how fondly she will be remembered. I wish I could be at her funeral to pay my respects - I will be there in spirit. Rest in peace, friend.
