# **Jerry Mason Stanley**

JUN 1, 1936 - JUN 28, 2025

**J**erry Mason Stanley, of Culpeper, passed away peacefully Saturday, June 28, 2025, surrounded by his wife and most of his children in his home. He was born June 1, 1936, in Botetourt, VA, to the late Vester and Lena Stanley.

Jerry was known for his genuine smile, quick wit, and that classic phrase, "Use that lump on your shoulders." He was the kind of man who could fix anything, tell a story better than any book, and outwork men half his age. He had sawdust in his veins, a Bible in his truck, and a joke ready to be said.

He loved his wife with unwavering devotion and served the Lord with a joyful purpose, always ready to lead someone to Jesus or to lend a helping hand. Watching bull riding brought him joy, but not nearly as much as a good laugh around the kitchen table or porch, reminiscing about old times, swapping funny stories, and making new memories with family and friends. He taught many how to live with grit, grace, and a giving spirit. A mentor to many, he'd often remind you to "Keep it on the hip" when it came to money, though he was the first to give his shirt off his back, and probably offer to build them a closet to put it in, too.

Jerry is survived by his wife, Wanda "Sue" Burdette Stanley, children, Debby Stanley Huffman and husband, Robert, Randy Stanley and wife, Drema, Jerry "Sonny" Stanley, II, and wife, Jamie, Laura Stanley Wells and husband, and Allen, Sissy Stanley Hoffman and husband, Donald; grandchildren, Mason Stanley and wife, Marla, Grace Stanley Groves and husband, Baden, Lydia Stanley, Rachel Clouser and husband, Addison Clouser, Brande Wells Roberts and husband, Josh, Samantha Wells, Aaron "A.J" Barlow, Gehrig Barlow, Joseph Barlow, Kendal Barlow Richey and husband, Evan, and Jeremy Stanley, Candice Stanley-Wolfe and husband, Shawn, and Melinda Huffman; great grandchildren, Bryce Wolfe, Eli Wolfe, Maddie Stanley, Morgan Stanley, and Max Stanley; siblings, Junior Stanley and wife, Gaby, Bobbie Montgomery and husband, Jettie; brother in law, Elwood Switzer; and a host of

I knew Jerry for 4months when I began attending church at Battlefield. I sat beside him at coffee time. At first it was because he was a friend of my husbands. Very soon beside Jerry is where I wanted to be. Beside Jerry I felt acceptance. Beside Jerry was a Spirit of peace, love, goodness and joy. It was a blessing to know him.Vicki Smith-Yeatts

I was thinking this morning on the way into work about boss man. No where in the Bible can I find a stoplight or sign in heaven and i remember boss lady always telling him God was going to put a stop light right outside of his mansion 😊.He always said duct tape would fix anything! But there's no duct tape in heaven either because nothing is broken! We used to sit on lunch break, and he'd talk about how great heaven was going to be, and boss man always had the best advice and my best interest at heart. He was genuine when teaching me, and I thank God He gave me the opportunity to learn some of life's most important lessons from such a good man, As i certainly wouldn't be the man I am today without the work ethic he instilled in me long ago.The Bible says in Luke 17 That the Kingdom of God is within us, much like everything boss man ever taught me lives within me. I'll always have that to share with others. Love you Boss man I'll see you on the next job!
