# Michael Dealoe Duerden

OCT 14, 1953 - JUL 8, 2025

**I**t is with heavy hearts that we share the passing of our beloved Husband, Dad, and Yang. Michael D. Duerden, 71, departed from this life to his heavenly father on July 8, 2025.

Michael was born October 14, 1953 to Kenneth and Patricia Duerden. He is survived by his wife, Bonnie; their two children; along with his siblings, Robert Duerden & Deborah Bullock.

Michael and his wife Bonnie were high school sweet hearts meeting when Bonnie was only in the 9th grade. They built a life together always by each other's side. In 1975 Michael opened Superior Wholesalers and was a well know car dealer in Fredericksburg and with Manheim Auto Auction. He leaves his legacy and love for cars at Superior Wholesale in the hands of his son Kevin.

Michael was a family man to his core and never went a day without telling his wife, children and grandchildren that he loved and appreciated them. Michael and Bonnie celebrated their 50th wedding anniversary in June. Michael leaves behind their two children, Kimberly M. Thompson and her husband, Richey and Kevin M. Duerden and his wife, Katie. Michael (Yang) also leaves behind one of his biggest joys in life, his four grandchildren, Blake, Carter, Baylee, and Kinley along with his four great-grandchildren, Braiden, Brynlee, Baylor and Weston.

Michael's passing leaves a space in each of their hearts that will never be filled on Earth but his family looks forward to seeing him again in Heaven.

The family will receive friends from 5:00-7:00 p.m. Tuesday, July 15, 2025 at Found and Sons Funeral Chapel, 10719 Courthouse Road, Fredericksburg. Burial will be private.

Mike gave me my very first job when I was in high school. I was the lot boy one summer (1979?) at Superior Auto Sales on Butler road. Seems like yesterday. He and Bonnie were always so nice to me and he had an amazing collection of classic Camaros. RIP Mike.

To Bonnie and family, I am so very sorry to hear of Mike's passing. One thing is for sure...if you ever saw Bonnie and Mike you immediately saw the love and friendship they had with each other. What a beautiful legacy! A fun story to share is one time when Mike came to my rescue. I was in my early 20s and I went to work for Wood's Insurance Agency in an older building across the street from Mike's auto sales. The ins. business had just opened up and business was slow some days. One evening I was closing up and I went to use the bathroom before locking up. Now those doors and locks were old and occasionally got stuck. Of course, that was one of those days. I couldn't get out of the bathroom. After panicking for a few minutes, I decided that if I didn't want to die and be found in a toilet I needed to try to climb out the window. This window was in the alley directly across from 2400 Diner. It just so happened I saw Mike in the parking lot across from the windows and I hollered at him. He very calmly walked across the street and in through the front door. He walked over and very calmly opened the door and let me out. He casually asked if I was okay and then just walked out like he rescued crazy people everyday. I laugh everytime I go by there! Enjoy your new home in Glory, Mike! And thanks for saving me!!!!

Bonnie, Kim and Richie, and Kevin and Katie. I am truly sorry for your loss. Mike was like a 2nd Dad during my teenage years. Life may have led us down different paths, but I hold dear the memories I shared with the Duerden family. Please know that each of you remains in my thoughts and prayers during this time.
