Regis John Kirby

MAY 24, 1955 - JUL 5, 2025

It is with heavy hearts that we share the passing of our beloved Husband, Dad, Brother, Cousin, Grandfather/Doo, “Beloved Best Buddies - Outlaws”, Uncle, and Friend, Regis John Kirby, 70, passed away on July 5, 2025.

Regis worked for the Federal Bureau of Investigation (FBI) for over 35 years. Regis was a friend to many. A stranger was never a stranger for very long when meeting Regis. He was a family man and his legacy lives on in our hearts.

Regis is survived by his wife Kaye. Regis and Kaye were married for over 44 years. Meeting at the FBI they became good friends first and later began dating for over five years before marrying. Regis leaves behind their daughter, Jackie Rainey and her husband, Brian Rainey; and their two children, Kaelynn and Jase, who are the biggest joys of Regis’s life.

Regis also leaves behind his sisters, Donna Zupko (Bob) and Kathy Richard; as well as his cousin, Cynthia Lease. He had many favorite nieces and nephews that can tell several stories of why they are the FAVORITE!

Regis also leaves behind Beloved Best Buddies – bonus family members – “Best Buddies Outlaws” – David and Cindy Orso, Linda and Tommy Oliver, Brian and Rene Orso and Tim and Marilyn Orso. Regis loved them and spent time with them and they were a big part of his life.

Regis had an endearing way to make each one of us feel special. We are BLESSED to have Regis as a friend.

Regis's passing leaves a space in each of our hearts that will never be filled on Earth but his family looks forward to seeing him again in Heaven.

I met Regis and Kaye through a mutual friend probably in 1982. I left the Bureau in 1987, but when I heard this sad news, I immediately thought back to those times. I am sure he and Kaye would not remember me, but there are people we meet in life that are so kind, so genuine, and that is exactly what Regis was. He had a character that is never forgotten and I thank him for that. I know he will be missed.JP Swanson

Iur sincere condolences to Kaye, Jackie, Brian, Kaylynn and Jase. We were not ready to say "Goodbye" A life well lived is a precious gift of hope and strength and grace. And you have made our world a brighter, better place. Memories are treasures, no one can steal. Our memories of you are filled with moments...sweet, sad, with smiles and sometimes tears. Our friendship formed, but more importantly we became family. Good times were shared and much laughter was had through the years. Those we love don't leave us; they walk beside us in our hearts and memories.

I moved to the DC area in 1976 to work for the FBI. Regis and I became friends, even though he was a Steelers fan and I being from Texas a Cowboys fan. Still Regis and I ran together for a couple of years. At one point a couple of my roommates moved away and I needed another place to stay. Without hesitation Regis offered me a place to live for many months. That was the kind of friend he was. My wife and I were in NoVa last year and had a meal with Regis and Kay. I am thankful that the Lord allowed me to see my old friend and reminisce over his kindness. May our Lord bless Kay and the family as they mourn his loss. There was only one Regis.

My world will not be the same. He was the greatest of men. He showed me what it was to be a good friend and of course the favorite Uncle! I hope his image and his voice never leaves my memory! LOVE YOU REGGIE!
