To all of the family of Carol, please remember that "to be absent from the body is to be present with the Lord!" Carol is pain free, happy, and filled with joy as she meets our Saviour! Carol brought smiles and comfort every where she went. Her sweet voice and disposition will sorely be missed every time I call Southern States. She was so kind in dealing with my Dad and his accounts after his stroke. He was going to tend his matters himself and Carol was so patient and understanding. Carol, we will see you again!
