I am deeply saddened by the loss of my friend Scott. I first met him through my sister, Nicole, and her friend—his wife—Sarina. From the very beginning, Scott stood out with his warmth, kindness, and ever-present smile. He brought such positive energy to every gathering. I remember seeing him at several of our company's after-work events—always happy, full of life, and generous with his advice on healthy eating and fitness. His enthusiasm and joy were truly uplifting. One of my favorite memories with Scott was during the Arlington Ghost Town tour and bar hop, which we attended thanks to an invitation from Sarina. We had such a great time—laughing, exploring, and enjoying the moment. Scott made that night unforgettable with his humor and the way he made everyone feel welcome and included. Scott will be deeply missed, but the joy he brought to our lives and the memories we shared will always stay with me. I am truly blessed to have known him.

We send our deepest condolences to the Scott Family (Barbara, Sarina, Jeremy, Christian and Jaden). We are devastated that Leander is no longer with us. God took him too soon, but it was on God's time! We will always remember him for his craziness and funny attitude, laughter, kindness, and willingness to achieve the best in life. Leander and I grew up together, he was in my wedding, and he was like a brother to me. We shared good times growing up and we both joined the USMC. My wife (Deborah) and I are still trying to understand and accept God's calling. We know that Leander is now at peace in heaven and we pray that God gives his family strength to make it through these difficult times. May God comfort the family and may we all cherish the memories made with Leander. God Bless! Barry and Deborah Frye
