Sannie and my mom were friends since before any of us kids were born. I considered her a second mom. She helped raise me. I grew up right alongside her 2 boys. The memories I have of this wonderful lady are treasures.

Gigi, Jazelle and I are deeply saddened that we weren't able to be there with you in your time of need. Had we known, we would have been by your bedside along with the family to say our goodbyes to you. Jazelle and I last night prayed for you and reminisced on all the wonderful times we shared and all the fun memories that were made. Those will be with us forever! I just wish we were able to say goodbye. Jazelle has been a mess over this. Until we meet again Gigi! We love you! 💜💜💜

I only met Sannie one time but we kept in touch over the years. I took in a stray cat in Monrovia Maryland that thanks to a microchip traced back to Sannie and Ralph in Fredricksburg Va. They drove all the way here to visit her and we had such a nice visit. We continued to keep in touch for a number of years and I often sent pictures to her . Such a sweet lady

Sannie was a truly delightful person, radiating beauty inside and out. She had a special talent for spreading love to everyone around her. Music was her true passion; you could often find her singing hymns, playing the organ, piano, or harmonica, and relishing every moment. As a devoted woman of God, Sannie cared deeply about the health message and was always eager to share it with others. Her gentle spirit and witty sense of humor had a magical way of calming even the angriest hearts, while her warm smile and wisdom brought comfort and peace to those in distress.
