Leslie Renée Gillespie

JUN 2, 1978 - OCT 12, 2025

Leslie Renée Gillespie, 47, passed away on Sunday, October 12, 2025, at J.W. Ruby Memorial Hospital in Morgantown, West Virginia. She was born on June 2, 1978, to Ronald Furlong and the late Janet Marie Furlong.

Leslie had a kind and generous heart, always ready to help others or offer a bit of warmth when it was needed most. She had a special eye for photography and a deep love of beautiful scenery, often finding meaning and peace in the quiet moments of nature. She saw beauty where others might not look, and she shared that perspective with everyone around her. Her gentle spirit and genuine care for others will be deeply missed.

Leslie is survived by her beloved daughter, Dominga Centeno (boyfriend, Brandon Davis); her father, Ronald A. Furlong; and her siblings, Sam Gritz (Jane), Karen Haught (Dudley), Jessica Furlong (fiancé, Earen Dunham), Jamie Nichols, Robert Furlong (Megan), and James Furlong (Amanda). She is also lovingly remembered by her many nieces and nephews; Samantha, Tyler, Gage, Jaxon, Jordan, Jovi, Brooke, Trey, Brady, Madison, Emily, Blake, Fiona, and Westley.

She was preceded in death by her mother, Janet Marie Furlong.

A celebration of life will be held at Found and Sons Funeral Chapel of Culpeper on November 1, 2025 from 12 p.m. - 2 p.m.

An online guestbook and tribute wall are available at www.foundandsons.com.

Remember talking about her turkey that was sick and me telling her how to fix what was wrong. I'll miss her lemon cucumbers. I'll surely miss her.

I only knew Leslie for a few months, but the minute I met her, we had a bond. I sure will miss her. I just recently learned of her death as Brian didn't have my number. I sure will miss visiting with her. I hope she has chickens, turkeys, dogs and a garden in heaven as she sure loved all. Rest in peace my friend.

Leslie. I remember when we once stayed at your house when we were all little and we were trying to sleep on a blanket pallet in the dining room and you kept running around the room. Mostly on top of our heads. ❤️

I extend my deepest sympathy to Leslie's family and friends. I remember a bright little girl who was in my classroom. I enjoyed getting to know her and was blessed to know the entire family. I taught each one. My prayers are with you all. I also extend sympathy for the loss of your mother. I had not heard, and I lost a friend and one of my students.
