**T**errance "Terry" Michael Perrone passed away at the age of 62 on November 4, 2025, after an aggressive battle with cancer, at home surrounded by his loving wife and mother.

Terry was born at Greenwich Hospital in Greenwich, Connecticut on September 23, 1963. He attended school in Norwalk and Brookfield, Connecticut, graduating from Henry Abbott Technical High School in Danbury, Connecticut. He then studied at Norwalk Technical College in Norwalk, Connecticut. He joined the US Navy in 1982 and was stationed aboard the USS John C Calhoun submarine stationed in Charleston, South Carolina, serving 6 years as a nuclear engineer. Terry loved visiting his favorite beach, Anna Maria Island in Bradenton, Florida. He coached travel soccer for his daughters and loved watching them play. Terry was also a loyal New York Giants fan. Terry was one of the finest guys I have ever had the pleasure of knowing. He worked with and for me in the Chemistry Department at North Anna Power Station. Terry was one of my best employees. He was of high integrity and always did his best to make our programs among the finest in the industry. My thoughts and prayers are with his wife Linda and his two daughters.
