**R**obert Clifton Wolfe, 62, of Culpeper, VA, passed away peacefully on Wednesday, November 19, 2025, at INOVA Fairfax Hospital, surrounded by his loving wife and family. He was born on March 1, 1963, to the late Roy Clifton Wolfe and Joan Payne Goodnight in Loudoun County, VA.

I knew Rob when I was a parts driver for the local Bumper To Bumper in Warrenton during the early 2000s. I then I came to work directly for him at Joe Jacoby for a couple of years. He was a great guy, and a wonderful boss. A musician myself, we'd spend slow periods talking about music, gear, and trading stories. Lost touch after I left the area, but I always had good memories of the man. I'm so sorry to learn of his passing.-Jim

I met Rob when I was 16, the first time I went on a date with my ex. They were very close friends and I got close to him and Lisa. We had many adventures and Rob was always kind, I never saw him get mad. I hated to hear this happened to him. He is in a good place now. I am praying for Lisa, Angie, Zack, his sisters, brother and the grandkids.

**Lori Russell** lit a candle in honor of Robert.

Rob was the first Wolfe I ever met. I met him when I was 15, at the old A&P grocery store in the Manaport Shopping Center in Manassas—a very long time ago. He was a bagger then, and he always stopped to talk to me and my mom every time we came in. He once told me I should meet his sister because he thought we'd be good friends, and he was right—we were, for a long time. Over the years, I watched Rob play his music, and man, could he play. I never knew him to be in a bad mood or to argue with anyone. He was truly one of the kindest people I have ever known. After God called Momma Wolfe home, Rob and Lisa were the glue that held the Wolfe family together. And now, I know God needed him in heaven for something great. Rest in peace, my dear friend. You will be truly missed. With love, Lori Russell
