Alyssa Nicole Ryckman

JUL 23, 1992 - NOV 21, 2025

Alyssa Nicole Ryckman, 33, of Culpeper, went on to her reward on November 21, 2025. She was born on July 23, 1992, to Anthony and Cynthia Ryckman in Boise, Idaho.

Alyssa had a joyful spirit and a deep love for her family. She had an infectious smile and a sparkle in her eyes. She had her dad's love of old cars and would point them out on our many car rides and want to "Get the camera! Picture please". She had a passion for music of all kinds and was often heard singing along to the radio and movies, filling any space with her voice. She was an avid movie buff, both animated and live action. One of her favorite movies was *The Grinch*, starring Jim Carrey, a film that never failed to make her smile and act out her favorite scenes with fervor. Long car rides were a cherished part of her daily routine. She never cared where she was going, she just wanted to go and enjoy the simple pleasure of the open road. Alyssa had a special relationship with many of the staff at our local Chick-Fil-A restaurant, enjoying the many gifts they bestowed upon her over the years. In the past few years, Alyssa accompanied her mom to the meetings with the Culpeper Quilters Guild, cultivating friendships with many of the members. Alyssa had the unique gift to make everyone she met fall in love with her. Her life was truly a gift, and her memory will remain radiant in the hearts of everyone who knew her.

Alyssa is survived by her parents, Anthony and Cynthia Ryckman: siblings Kyla Mavencamp and husband Thomas, and Maddelyn Free and husband, John: paternal grandmother, Sally Lou Ryckman: and a host of extended family and friends.

Alyssa is reunited in Heaven with her maternal grandparents, Joke Diender, Ronald Kerr and Eugene Maas, and her paternal grandfather, James D. Ryckman.

A funeral service will be held on Monday, December 1, 2025, at 11:00 a.m. at Found and Sons Funeral Chapel of Culpeper, 850 Sperryville Pike, Culpeper, VA. All are welcome and the family requests those in attendance wear bright colors.

Mr. and Mrs. Ryckman- Please accept my deepest sympathy for your loss. I remember when you first came to Culpeper to visit our school system. You asked all the right questions as you wanted to make sure your Alyssa would be taken care of. She was more than taken care of-- she was loved. She brought such joy to us on a daily basis. Some days that joy took on the form of a white bag or box from Knakal's Bakery-- as Mrs. Sutphin recently reminded me. :) Every day Alyssa brought that sweet smile and sweet voice into our classroom. Even her stubborn streak came to be appreciated and expected and cherished. So many memories of that beautiful young lady. It was my absolute privilege to be her teacher. Thank you sincerely for sharing Alyssa with us. My thoughts and prayers continue to be with you and your family during this difficult time. -Kathy Blake (retired to Florida)

Going to visit the family in Boise are some of my fondest childhood memories. We loved the water park & spending time with our cousins. Rest in paradise Alyssa. You will be missed and are loved so dearly by us all. Sending a big warm hug to the family & I hope you find comfort in knowing that Alyssa is with her loved ones, in heaven, waiting to greet us all.

Michael and I love the memory of Alyssa sitting in the back of the car during Madde and John's wedding. It's not like she was isolating herself...it was more like she was a queen as guests walked by to say hi and share a laugh. I remember the first time Alyssa called me "John's mom". I realized then that she knew who I was and considered me part of the family. Sorry we are not flying out for the memorial. But our hearts and prayers are with you all. Love, Debra & Michael

My heart is heavy as I learned of Alyssa's passing. Her spirit and love of life will always be a great memory for me. As one of her teachers, she had an independence that was scary at times but she never failed to get her point across as to what she liked or disliked. Oh, she could make us laugh and we sang many songs along with her. Sending huge hugs to her family...wish I was closer to give you one in person. Please know I am thinking of you all through this sad time.
