I thank God for Miss Carol's life. I only got to know her for about a year and a half before she died, but I enjoyed my time with her. I enjoyed sitting in her living room hearing about her love for animals (especially horses), growing up in snowy Wisconsin, and her happy years driving a school bus for Culpeper County. She loved her home and her routine, and she didn't like to waste anything! She always had to joke about how short she was. I wish I could remember some of her funny lines, but if you knew her, you know she had a dry sense of humor that helped her get through tough situations. I miss her. My prayers and care for Kathy, Wayne, Tammy, Jeanette, David, Brent, and all the rest of the family...To dear Maureen and Lieb family, I love you guys

Rest easy Mrs.Kelley. I remember all the times swimming at your house back when I was in school. You always welcomed me and were so nice. Thank you for all the summer memories ☐

I am so thankful to The Lord for the privilege of taking care of my mother and "honoring" her as His word directs us. I will always love you mother ❤️. To Him be all the glory.

I had the privilege of meeting Carol when Maureen bought her in for her clinic visits, she was so pleasant and always so gracious. She most have been a wonderful mother as evidenced by the care and attentiveness of her beautiful daughter Maureen. To Maureen and Family you have lost a beautiful angel but her legacy lives on in you all. Love on each other and continue to hold on to memories dear. May God continue to comfort you all at this time. Sending prayers to the entire family 🙏❤️

We loved going for dips in Carol's pool. She was always so generous with the use of it! Thankful that she had such a loving daughter to care for her and that she was surrounded by family at the end.
