You will be missed by many Dougie. You were a great friend to so many people. My memories of you are always wearing those blasted GB jerseys you even had the jacket and hat...I don't think I have a single memory of you in anything else! Save us a seat in Valhalla

Doug, where do I start man. We had so many great memories together. We grew up together and spent so much time having fun and getting in trouble. Every memory I have with you will be cherished and I miss you brother. I remember one summer when you and your family lived off of HWY 29 in that small white house, you and me were riding your dad's 3 wheeler and we hit a tree hahaha. We thought your dad was going to be pissed but instead called us idiots hahahaha. I hope you rest easy brother. Look down on us and keep us safe and focused. I love you brother. You were always the brother I never had.
