While working at Culpeper Middle School, I have had the great pleasure of working and helping Mrs. Sutphin with her many children. She was such a sweet and kind lady. You always saw the love she had for her children and their welfare. I know she will be missed by her family. May God bless each of them as they endure the pain of her loss. My sweet cousin will be dearly missed by so many, but at least we can find comfort in knowing that she is no longer suffering. Sending love and hugs to the entire family.
