Katharine (Kit) Kurstedt Keller

AUG 3, 1945 - MAR 23, 2026

Our mother, Katharine (Kit) Kurstedt Keller, passed away on March 23, 2026, at the age of 80. Mentally sharp and physically active until the end, she lived with purpose and contributed meaningfully to her community each day.

Born on Long Island, New York, Kit was an accomplished student who later focused on creative pursuits. A gifted seamstress and quilter, she expressed love and artistry through her hands, creating pieces that will be cherished for generations.

She was an adoring mother of three and a devoted stepmother to four, roles she embraced with generosity, patience, and profound love. Her family grew to include many grandchildren and great-grandchildren, all of whom were a source of pride and joy to her.

She was deeply committed to improving mental health in her community, believing strongly in compassion, understanding, and access to support. She found great fulfillment in her profound care for others.

She loved animals throughout her life, especially her dogs, who were constant companions and a daily source of comfort and happiness.

She will be remembered for her warmth, determination, creativity, and unwavering love for her family. Her presence leaves a lasting imprint, and her legacy lives on in the lives she shaped and the beauty she created.
