Steven was a best friend to my son Joey. I'm Joey's mom and my heart goes out to Steven's family. I know its been years now since Steven's going to heaven, but I wondered for years about him. He used to come to my place with Joey and the 2 of them would cut up so bad making me laugh so hard. I've talked to his mom and I've always wished I could get in touch but didn't quite know how. My daughter found this Obituary. If she does see this get in touch with Joey's mom. I would love to talk. I loved your son and I know he's in heaven with the Lord.
