Please accept my heartfelt sympathy for the loss of your wife, your daughter, and your sister. You may remember that I assisted Brenda many years ago with finding a job at the University of Iowa. It was Penni who first approached me about her sister and advocated for her. Later, I met you, Bonnie. It was a pleasure to have known and assisted you all. My mother passed away on February 23 and I personally know the grief of losing someone you love who has been such a strong presence in your life. Although Penni will be missed, she has left behind good memories and a world made kinder by her presence. Peace to you.##imported-begin##Donna Chandler##imported-end##

Dave, This is from your friends in the Washington DC area. We were aware of your marriage to Penni through Ken and Sue Posley when we saw them last year. And the fact that your bride had some health issues. We are very sorry for your loss and want to extend our deepest sympathies to you. We pray for God's added peace to you during this difficult time. Many years have passed and many memories we shared, Penni and I always had a very close and never ending friendship. Through tough and good times, Penni was always there. From early childhood to the present her prayers were always there. Wrestling in the grass with her brothers after school, having lockers next to each other through our entire school years, Letters throughout my military career, No matter what ever happened to me, Penni was always able to bring a smile to my face. The surprise she had on her face one day after I returned home from the military and payed her a surprising visit in Iowa City was enough shine to light the skies for years to come. I will truly miss her, and the lessons that she taught me on how to deal with what life offers, I shall never forget. My prayers and condolences are with her and her family and I know she was warmly welcomed to Heaven. Penni strived to be consistent in all she did, She honored God and was respectful of all, regardless of there background. She has always been a

I have known Penni since the early 1970's, she was one of my campers for 3 summers at Sunnyside. She had to been one of the campers who cried the hardest on the last night as the counselors sang. She faithfully wrote me letters over the next 30 plus years and I grew to love and respect her more and more. Penni was very special to me and to many others and I will miss her. I am thankful she will rest in eternal peace now. God Bless You, David, Bonnie, Brenda and family. Gail##imported-begin##Gail Graff Blaha##imported-end##

I have known penni for nearly 40 yr and she has been my best friend for the same number. We met at Camp Sunny Side, the greatest experience of our lives. We made so many friends and grew to appreciate and experience life each year we went. We have shared many things between us over the years and I always appreciated her wisdom, wit, honesty, caringness, and love that she has always given to me in every conversation and in times of need. I was so pleased she was able to come to AZ and visit me and meet my husband. They hit it off right from the start. They harrassed each other her entire stay while she was here. Day one when she arrived he built her a ramp so she could get in and out of our home easiser. As you all know she was a very independent woman, and often stubborn: course that is what we all loved in her!! am so happy she met David, a man she turely loved and admired. Penni had to endure so much in her life that I was so plesed that God gave her this happiness to have in her soul and spirit forever even after she has left us. Thank you David for being you and loving Penni as you did.We loved each other very much and I will truely miss her forever. I know that God blessed her as he took her into his arms.May God bless all of you, family and friends of Penni in her life.Love always, Judy Anderson-Florescallilys@cox.net or jfflores@cox.net##imported-begin##Judy Anderson-Flores##imported-end##

Dear Bonnie, Please accept our deepest sympathy for your loss. Penni was a good person who made the best of her life as a daughter, wife and member of the community. Now, she can visit with Leo, Steve and Tom in heaven. We'll be thinking about you and hope that you are able to get through this loss.
