Dear Sandra: I'm sure you don't remember my name, but I was a friend of your Mom's many years ago at Immanuel Church. We were in the Mother's Club & Merry Wives together, and catered many a wedding together. In later years we met up again while taking a class at stretch & sew I enjoyed her so very much. She was a great LADY and she'll be missed not only by you, but a host of friends. My wish to you is for peace & comfort.##imported-begin##Bea Rankin##imported-end##

Hi Sandy, You probably don't remember me but my namd is Evie (named after my Grandmother Evelyn Butler Coggins). My Mom Nancy is your first cousin. I remember Aunt Jean and I've often thought about you and your familY. When my Grandmother Evelyn died Aunt Jean rode in the funeral procession with my cousin Suzie and I. We were 13 and 14 years old at the time. I remember feeling like life would never be the same without my Grandmother and crying to Aunt Jean about it. She held onto me and assured me that she would always be in my heart. She told me that everytime she thought of my Grandmother she rememberd that she loved mums. To this day (33 years later) everytime I see those flowers I think of my Grandmother and Aunt Jean and smile. I never had the opportunity to get close to her but what I remember of her warms my memories and what I read about her in her obit makes me proud to call her my Aunt. She was a woman after my own heart. She enjoyed life and looked after the underprivileged along the way. My mother and her sister Betty and I are planning to attend the service on October 2nd. Our travel plans will depend on my mother's health. My email address is mcnulty@lackawannacounty.org I'd like to get your email address and postal address to forward to my other aunts and uncles. Please know that you are in our thoughts and prayers. Evie##imported-begin##Evie Rafalko McNulty##imported-end##

Dear Sandy. Sorry about your mom She was quite a lady who touched so many lives around her and most of us have some type of memory of her that we could share with each other. Most of us can never accomlishe what she did in her life, but only to dream of it all. Connie and Richard,##imported-begin##Richard and Connie Crockett##imported-end##
