Irma is my mom and no one will miss her more than me. Although we did not live together I, believe it or not , am going to miss driving the 350 miles up here as often as possible to see her. Deep down inside Irma was a good person and thought a lot about people in general. She really looked out for and stood up for her grandchildren and great grandchildren. I have many good memories of her over the last 57 years. She will truly be missed and I will hold in spot for her in my heart. Mom is now at peace and for that I am greatfull.
