I'm missing you so much! I miss hearing your laugh. Mom says everyday how much I'm like you lol. Not a bad thing though :-)

A Message From Heaven I am not so far from you just a little way beyond, past the cares and past the pain far past my earthly bonds. When you feel you miss me most as years go drifting by each memory will prove to you that our love will never die. That while I left you far too soon, I did not leave alone, for the father sent his angels to gently take me home. Take comfort when you think of me, keep my love alive in your heart and with the warmth of each memory we will never be apart. Our prayers go out to the family and she will be truly missed. And could someone please tell Packy that we love him. Deborah Simpson-Gibbs

What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. We Love you Babysis, Shirley Robinson Hogan & Family
