“ Casey I miss you so much my life has taken a turn for the worse since the day you passed away. I wish you were still here with me I never dreamed that I would lose you. Things are worse than they have ever been. I'm so lonely without you I feel lost I had you for 40 years and it wasn't enough.

“ Casey lit a room up with her dazzling smile, joyful laughter, and loving presence. She cheered me up anytime I had a bad day and I salute her for the amazing ability she had to make me laugh when I didn't feel like it. She was a special woman who loved her family and friends with all her heart. I am so grateful for our wonderful memories and I will treasure them forevermore. Casey claimed a piece of my heart the moment I met her many years ago. Thank you Casey for all the great times we had together! May your sweet soul rest in peace and enjoy heaven cuz you deserve the best sweetie. I will love you always and I will hold you close to my heart til we meet again.

To all of Casey's family including her amazing Mom's, her wonderful children and beloved life partner, her cherished siblings, aunties and uncles and cousins I am sending you love and prayers as you navigate through the loss of your precious Casey. Thank you for sharing a true earth angel with us.

“ My mom was the type of crazy that you never find she knew how to make you laugh in the worst moments when you'd think laughing is impossible. Her smile her laugh it was contagious I'll miss it everyday if she was here she'd hug me and tell me to stop crying that she'd always be with me no matter what. And that's what I tell myself the night before we were on the phone and I asked her if we could shove my brother back up her because he was annoying me and I wanted a refund and she laughed and said "NO WE CAN NOT" I'll remember that convo forever I love you mamma 🙏 U better be watching me because I'm gonna make you proud
