“ Burke and I met Damon many years ago at Payne Trucking. He would come into the safety office and talk about what was going on in his life, good and bad. We would tell him to have a seat on the couch so his session could begin. He was a good person and very likeable. He will be missed.

“ We met at Payne many years ago, and our paths crossed numerous times over the years. Your wit and sense of humor will be sorely missed by more of us than you can imagine.

“ I wish I had gotten the chance to meet Damon and his family. I've only talked to them through comments on Facebook. Maybe it's a Whetzler thing but we shared the same sense of humor! I sure have missed his posts. Sending love and positivity to his family in this time.

“ Damon and I worked together at Payne Trucking and like so many others we became friends. He was a funny guy. Would always call me Shurry Ann even though that wasn't my real name, but that's was ok. That's just who he was. A funny kind of guy. You will be missed by so many. Prayers to the family.

“ Damon, my baby brother, I miss you so much! You were the best brother ever. We were best friends growing up and even as adults. I would drive up and down California and I would call you or you would call me. It made my drives go by so fast. We both have been through so much and I miss our long conversations and supporting each other. You made everyone of your friends and me feel special. You always wanted to make everyone happy, wanted everyone to get along, and stay in touch with current friends and friends from your past. You loved hard! I miss you so much!! Until we see each other again...I love you little brother!!

“ I worked with Damon (Money Man) at Payne Trucking we became pretty good friends. He was definitely a character it wasn't a time that we rode together or was somewhere together that he didn't make me laugh!! Always was happy go lucky he would call me sometimes and tell me that Scooter his dog wanted to talk to me lol. I'd laugh and start barking in the phone and Scooter could start barking back at me lol. This was almost a everyday thing lol. Damon you will truly be missed truck driver!!! RIP your shift is done rest on we'll take it from here.....
