“ Carroll,
Jake and I are so very sorry for your loss. Our heart goes out to you. Hugs and prayers. Many years and memories have passed by. We have no words. Truly a compassionate person. If there is anything we can we do please let us know. He changed Jake's life and mine also. We wouldn't be married if not. We have no words to express the loss of your loved one. Have comfort because we loved him also.

“ Carroll I am so sorry for your loss. He was a good man and will always stay in my memory as a man who lived his life on his terms; challenging those people around him to think outside the box. He truly was/is a pioneer of Culpeper and brought the best to the small community and we are all better because of him.

“ David was an amazing man, always had a smile ready. It had been a while since I last talked to him but we always had such good conversations. Didn't matter how much time had passed we could pick right back up. Rest easy my sweet friend.

“ I'll be forever grateful to Carroll.

I've known David only through his gorgeous Poodles. I'm able to see Carroll, faithfully walking them everyday. It's one the beautiful view, seeing the 3 of them passing by. The next time I see them I'll say a prayer for David.

Sincerely

“ David was a wonderful friend. His kindness and integrity was only overshadowed by his easy nature and ability to bring laughter to those around him. We spent years hiking in the mountains and every trip was like being on an adventure with your best friend. I will miss him.

“ Sorry to read this. Have known David since he opened his wonderful shop. So many things in my house were bought there. My late Mother used to always give me something from David Eddy's for my birthday every year. Sympathies to Carroll from a fellow dog lover. Lou Cabbage
