“ Scott and Cindy Bywaters were friends from many years ago. My mother-in-law cared for their two girls, Jennifer and Carrie, so we saw the children often. They were a sweet family!

“ I remember playing with Scott when we were young children. The family lived on Valley Pike (US11) in a two story brick home. The house was/is close to what is know Motel 6 and Simbeck Trucking and on the same side as these buildings. I lived on York Avenue . We walked to Kernstown Elementary School (which is now an apartment building).The family moved to Culpeper sometime before our fourth grade year.(He was lucky in that he missed having Miss Barton for his fourth grade teacher.) I remember missing Scott and, at times over the years, wondering how is life turned out.

I was surprised to learn that one of his daughters lives in the Winchester area.

[I remember reading his mother's obituary in The Winchester Star.]

“ To my friend/brother Scott who was taken away way too soon.

I wish I would have been able to say goodbye to you. I wish that I would have made more time for you each time I came home to visit. I wish I would not have let years go by without seeing you. There are times I sit and think of you and have a conversation telling you how sorry I am for not being there in the end. I hope you know that I never thought any less of our friendship.

I will always laugh a lot when I picture and think of the times and things we did when Rodney, you and I all grew up on Hendrick Street. We were truly a band of brothers from different mothers. I will always cherish the many memories we had at Rodney & Kay's house especially the Christmas get together s. The conversations we would have at Oscar's Service Station and at the Bywater's family functions. Your smile and laughter will be one that I will never forget. I don't think anyone could forget it. I have learned that there is no better time than now to chase my dreams and get caught up with my bucket list. To do all I can while I have the time — and unfortunately, your passing has shown me this. I pray for Cindy, your daughters, grandchildren, family and friends, and I pray that you are in Heaven finding your way. When you run into Oscar & Marge tell them I said “hello” and let them know I miss them. And by some chance you run into Hugh and Anna Lee tell them I love them and sure do miss them.

“ Cindy, Rodney and Families, so sorry to hear about Scott's passing. I have fond memories of growing up with Scott and all the experiences we had on the football field and in life in general. He will be missed at the CCHS reunions and I am sure he will be missed by all of you. I will not be able to attend any of he services, because I had a heart attack 2 weeks

ago and am on the mend. My thoughts and prayers will be with you in the coming days. I think Bobby Fosters message sums it up for me and all his friends!
