

Frederick F. Figall

April 15, 1943 - May 3, 2022

Frederick F. Figall, 79, of Culpeper, died Tuesday, May 3, 2022, at his home. He was born April 15, 1943 in New York to the late Steve and Evelyn Figall.

Frederick was a talented photographer, who won many awards, and continued to take photos in nature even after his retirement. A God fearing man, he was a good husband and father, an animal lover, and was kind to all people. Frederick collected fountain pens and watches. He enjoyed antique shopping and going to car shows, and particularly liked British cars.

Frederick is survived by his wife of 36 years, Mary "Betty" Figall; two daughters, Maija Kraber and Leena Craig (Steve); one stepdaughter, Lisa Puffenberger (Brian); and three grandchildren, Austin, Amanda, and Emily.

In addition to his parents, he is preceded in death by one half brother, Gary Grimsley.

“ Frederick was a good neighbor and friend. His smiling face and positive attitude will be missed. i enjoyed hearing his stories relating to his love of photography.

Over the years he was a neighbor first to my sister Ruth Martin and her husband Dan on Fishers Island and then to my cousin Lew and Anne Lewis in Silver Springs and then to my daughter Christine and Dave Lambdin in Jeffersonton before moving to Culpeper.

Our lives shared many memories.

“ We will always cherish the memories of Fred and the love that he had for Betty and his photography. The many times that Betty and I would go shopping or out to lunch, Fred would meet me at the front door and open it wide with the biggest smile on his face and he always had a big hug for me. We would chat about my family or current news happenings before Betty and I would leave the house. He would always kiss Betty and told her he loved her and told us both to have a good time. The photographs that Fred had displayed in their home were beautiful and showed how talented he was. Fred and I shared the love of animals and he was such a good fur daddy to his cat Hemi. We love you Fred, Gloria and Steve Buchanan
