“ Tom and I are both so very sorry. You know we loved Helen like our own family. She was an amazing, caring, and generous woman. And boy did she love to bake! We always enjoyed the delicious cakes! And she always had a soft spot for dogs and cats. We will always remember her kindness and love for Roxy. We will miss her so much.

“ Thanks so much Kelley !!! She so enjoyed her time with you and so glad you were able to do that.

She was so mad with the situation at hand that stopped your outings and plans. And she talked about it frequently well if this stuff was not happening Kelley and I would be doing this or that. Lol. She was so looking forward to her Brooks and Dunn concert so we will need to carry that on through.

“ Michelle, Words can't express our sadness on hearing of Sally's passing. She was an angel in human form. An amazing person with the kindest heart and spitfire spirit. Her love for animals, especially our Max, held no bounds. May your cherished memories of life with your beautiful Mom bring you moments of comfort during this difficult time.
