“ I will always remember Howard as a kind, warm-hearted gentleman who carried what seemed to be a never ending smile. I am his second wife's nephew and youngest son of her only sister. One of my earliest memories of Howard was him teaching me to ski in Colorado when I was in my early teens. As a Kansas boy I did not have opportunity to ski often but I will always remember that first time! There are many other fond memories as well. I will miss you Uncle Howard. My warmest condolences to the family.
